## PURPOSE WITH A PARTY

Funds raised at Rialzo will help youth mental and physical health through Meridian's partnership with local community schools to provide and expand services for children and adolescents in need through Meridian's School-Based Health Clinics.

*This comes at a time when our children need us most as the nation faces a youth health crisis.*

Suicide is the third leading cause of death for youth ages 15-19.

1 in 4 adolescents ages 12-17 have had a substance use disorder or major depressive episode.

Poor mental health is a risk factor for chronic physical health conditions.

56% of Indiana's youth with a major depressive episode did not receive mental health services in the past year.

## NOTHING'S IMPOSSIBLE

Place your votes and win big while supporting youth mental and physical health services. For a \$100 donation, you can choose your lucky number in a roulette fundraising game where "Nothing's Impossible!" Donate more to place additional votes to increase your chances of winning one of two grand prizes all while supporting the cause of the evening!

Today, Meridian is one of the leading providers of integrated health services in the industry. Meridian employs 1,100 staff including over 60 medical providers, and serves 40,000 patients in Indiana across more than 50 facilities with \$150 million in revenue. Milius' visionary leadership lead to Meridian becoming the "Whole-Person" Health Home it is today by providing a broad spectrum of services caring for the body and mind. Additionally, Milius created Rialzo. The annual charity gala has raised more than \$1 million for its broad suite of healthcare programming.
